About Us

Zarrin Naghsh Company was established in 2005 in a 7200 square meter area in the large industrial town of Shiraz. Pursuant to long-term goals, Zarrin Naghsh Company has, since its inception, utilized state-of-the-art technical knowledge and specialized personnel in the production of various types of packaging rolls for food, hygiene, agriculture, and other industrial and service sectors, purchasing and installing automatic machinery from advanced countries worldwide. In the printing sector, the company has equipped itself with Rotogravure (Helio) and Flexographic machines capable of printing up to 8 colors, as well as complementary machinery including laminating and roll-to-roll cutting machines, making Zarrin Naghsh the most equipped and largest industrial unit in the south of the country.

In the production of various types of single-layer and multi-layer polyethylene films and shrink films, the company benefits from the most advanced machinery, and for the production of various types of nylon shopping bags, promotional bags, and general-purpose nylon bags (nylon handbags) and loop-handle nylon bags, various disposable tablecloths, roll garbage bags, and perforated roll freezer bags, it possesses various sewing machines.

Since the founders and managers aim from the beginning has been to fully satisfy customers with their products, all products undergo quality control in unit laboratories (QC) according to global standards by polymer and chemistry experts before delivery. With divine providence, Zarrin Naghsh company strives to be at the forefront of providing the best services to industry owners and beloved compatriots by obtaining a health manufacturing license from the Food and Drug Administration.

Zarrin Naghsh Company, with hope in the Almighty and with steadfast steps and relying on experienced personnel and cutting-edge world technology and based on specific goals, is continuously expanding and offering new and diverse products and services. Thanks to the trust and support of its discerning customers, the company has repeatedly been honored with certificates and trophies from the Fars Province Consumer Rights Support Festival in consecutive years.
