## About us

Zarrin Naghsh Company was established in 2005 in a 7200 square meter area in the large industrial town of Shiraz. Pursuant to long-term goals, Zarrin Naghsh Company has, since its inception, utilized state-of-the-art technical knowledge and specialized personnel in the production of various types of packaging rolls for food, hygiene, agriculture, and other industrial and service sectors, purchasing and installing automatic machinery from advanced countries worldwide. In the printing sector, the company has equipped itself with Rotogravure (Helio) and Flexographic machines capable of printing up to 8 colors, as well as complementary machinery including laminating and roll-to-roll cutting machines, making Zarrin Naghsh the most equipped and largest industrial unit in the south of the country.

In the production of various types of single-layer and multi-layer polyethylene films and shrink films, the company benefits from the most advanced machinery, and for the production of various types of nylon shopping bags, promotional bags, and general-purpose nylon bags (nylon handbags) and loop-handle nylon bags, various disposable tablecloths, roll garbage bags, and perforated roll freezer bags, it possesses various sewing machines.

Since the founder's and manager's aim from the beginning has been to fully satisfy customers with their products, all products undergo quality control in unit laboratories (QC) according to global standards by polymer and chemistry experts before delivery. With divine providence, Zarrin Naghsh company strives to be at the forefront of providing the best services to industry owners and beloved compatriots by obtaining a health manufacturing license from the Food and Drug Administration.

Zarrin Naghsh Company, with hope in the Almighty and with steadfast steps and relying on experienced personnel and cutting-edge world technology and based on specific goals, is continuously expanding and offering new and diverse products and services.

- Thanks to the trust and support of its discerning customers, the company has repeatedly been honored with certificates and trophies from the Fars Province Consumer Rights Support Festival in consecutive years.
- Holder of a health license from the Food and Drug Administration
- Quality management system certificate holder ISO 9001:2015
- Holder of the National Standard Certificate of Iran

## CPP and BOPP packaging wrappers

Today, in various food industries, including ready and semi-ready food products, types of bread, dried fruits and nuts, etc., in order to present their products to the consumer market in the best and healthiest way, they need food hygienic packaging (Food Grade), which are mentioned under the headings of polyethylene, polypropylene and polyester films. According to the needs and type of consumption and different designs, packaging films are available in four categories (shellfish, transparent, matte, metallized) for the use of industries that are equipped with automatic packaging machines in the form of multi-layer laminated rolls.

Zarrin Naghsh Company is the first and only holder of a rotogravure printing machine with 8 color capability in the south of the country. By utilizing flexographic printing technology, advanced finishing machinery, and the expertise of its skilled and experienced personnel in the fields of printing, lamination, and slitting, the company is proud to offer high-quality packaging film services-both in roll form and pre-made pouches-to its valued customers.

- The possibility of laminating all kinds of films with paper and nylon up to several layers
- Double-sided printing capability on film
- The possibility of producing rolls with different widths and thicknesses
- The ability to produce all kinds of packaging wrappers for dries fruits and nuts, beans, vegetables, etc.
- Production of all kinds of bottle labels in different widths from 3 cm to...
- Production of all kinds of sachets of sauce and oil, coffee and one-person wrappers for sugar cubes and...
- Production of all kinds of simple hot-seal and aluminum wrappers for disposable polypropylene food containers
- Roll twisting power on 3 and 6 inch bobbins

### Nylon handbag

Zarrin Naghsh company is a (general) manufacturer of all kinds of nylon bags, which has a significant contribution in meeting the needs of these products in all countries. General nylon bags to meet the needs of all different consumers in all trades, stores and shopping centers are available in different sizes and more than ۱۰۰ designs and brands from single color to eight color printing.

Also, the production and printing of all kinds of custom-made nylon bags with the special size, design, brand and logo of customers for advertising purposes is another service that Zarrin Naghsh Company is the leader in providing with the best quality.

### All kinds of stirrup nylon bags

One of the needs of chain stores, food, clothing and medicine stores, as well as various manufacturing factories, for advertising and supply of their products, is nylon stirrup bags.

For the well-being of dear consumers, Zarrin Naghsh Company produces and supplies general nylons such as Thank You in four different sizes.
